

2017 Para-Rowing Basic Classification Workshop (Trainee Level Classifier)

31/08/2017 – 02/09/2017
Pattaya, Thailand

ARF and Rowing and Canoeing Association of Thailand (RCAT) are proud to invite you to the 2017 Basic Classification Workshop to be held in Pattaya, Thailand.

The workshop will cover the skills required to classify rowers at a national level. Workshop attendees who successfully complete the course would become FISA Trainee Classifiers and able to classify rowers for national competition, but would not be able to classify rowers for international competition.
